PROFILE

I'm Assoc. Dr. Atacan Emre Koçman I am a plastic, reconstructive and aesthetic surgery specialist.

I have been serving in the field of plastic, reconstructive and aesthetic surgery for 16 years after my 6 years of assistantship.

Not only in the field of aesthetics, I also perform reconstruction surgeries that we offer as repair surgeries.

After graduating from Ege University in 2000, I worked as an assistant in the Department of Plastic, Reconstructive and Aesthetic Surgery at Eskişehir Osmangazi University, Faculty of Medicine for 6 years.

During my assistantship, I also went abroad for various trainings. I worked in various cities and health institutions to do my compulsory service and military service.

For 2 years, I worked as both the manager and plastic surgery specialist of a hospital in Kazakhstan abroad.

I started my academic life in 2012. I continued my academic life until 2021. Since 2021, I continue to serve my patients in my private clinic and an examination.
