ABOUT ME

I have graduated from Hacettepe University in 1995. I have completed my ENT special tyeducation in Istanbul University Cerrahpaşa Faculty of Medicine in 1999. In 2012 (Written), I took the (Washington) American Facial Plastic and Reconstructive Surgery Board (Proficiency) exam (Oral) in 2013 in London and obtained the International and European Competency Certificate for Facial Plastic Surgery. I am one of the 5 people who earned this document in Turkey. I became an associate professor in 2007 and an ENT professor in 2013. During this period, I focused my studies on nose and sinus surgery and facial plastic surgery, cancer surgery and migraine surgery which are my special interests. I worked with One of the founders of Endoscopic Sinus Surgery, Prof. Dr. Heinz Stammberger (2001) Austri Graz University. I have attended courses and congresses in all around the World in those areas. Also I have give lectures in congresses about facial plastic surgery and rhinoplasty. In 2012 and 2013, I worked with Dr. Vito C. Quatela in Quatela Plastic Surgery Clinic (United States of America Rochester; New York). In 2013, I earned the Oral and Maxillofacial Surgery expertise given by the Ministry of Health. I worked as a full-time lecturer in Mersin University ENT Department. In 2018, I have received the title of Professor in Oral and Maxillo facial Surgery for the second time. As of 2018, while continuing my academic career as the Head of the Department of Oral, Maxillofacial and Maxillo facial Surgery at Istanbul University Faculty of Medicine, I have been accepting my patients at Istanbul University Hospital with the title of Professor in 3 different medical specialties and 2 different departments.

I have performed tens of thousands of facial plastic surgery operations on nose, head and neck and ear area and I have on treatment techniques in migraine surgery and rhinoplasty surgery. I have also somany experience in revision rhinoplasty
